CULTURAL HERITAGE..

The first part of this activity consists on creating audiovisual content (ppt, video, etc.) It should be maximum 2 minutes long and it should be about the importance of the preservation and dissemination of Cultural Heritage for the identity of social groups and development.

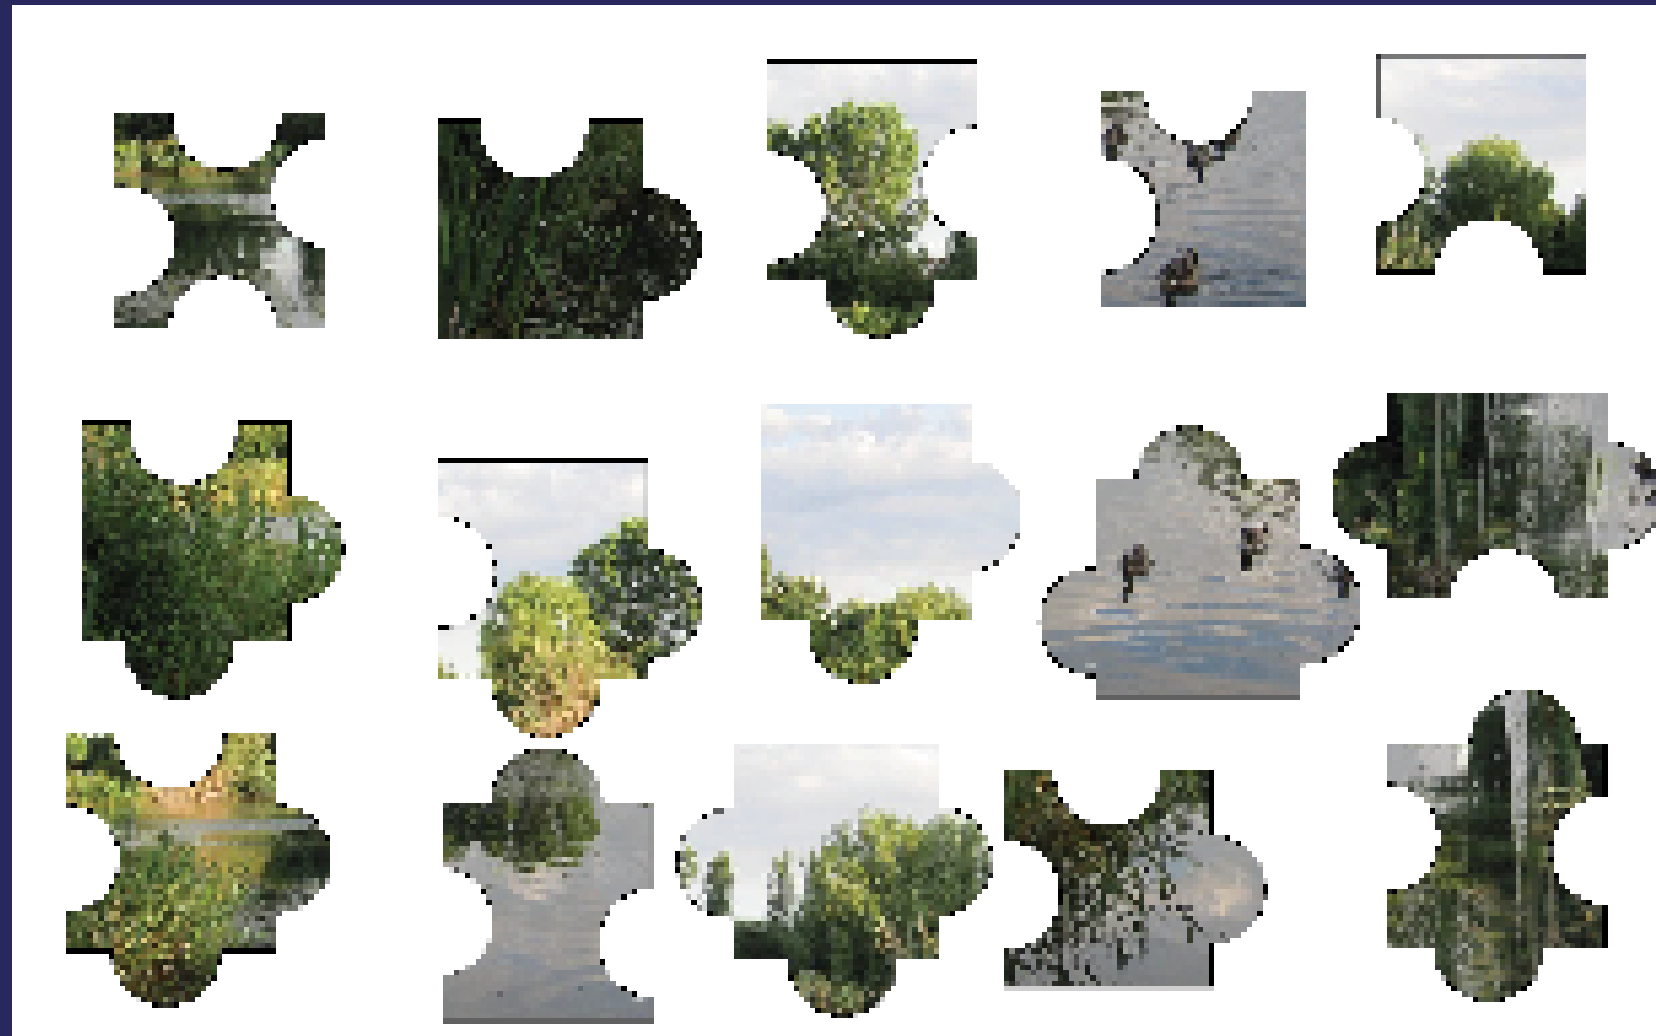

A collage of torn paper and a wooden clipboard. On the left, a wooden clipboard holds a blank white sheet of paper. A blue pen and a blue eraser are visible on the clipboard. The background is a textured, light brown paper. On the right, there are several pieces of torn paper, including a piece of brown paper and a piece of white grid paper with black text.

THE SECOND PART OF THE

PREPARING FUN, DIDACTIC  
ACTIVITIES FOR THE  
STUDENTS TO BE  
DEVELOPED.

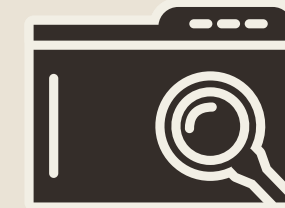

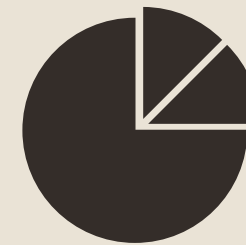

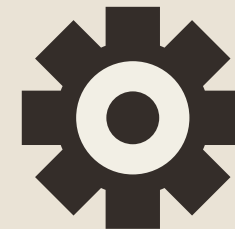

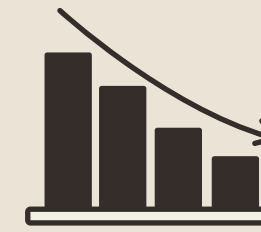

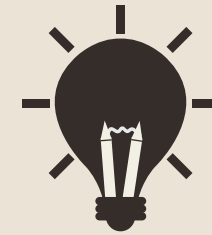

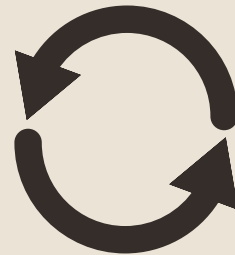

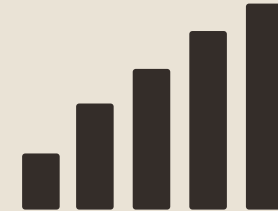

NOW, WE WILL SEE AN EXAMPLE OF SUCH  
ACTIVITIES:
