

Module II. Technical

Video concept course

Topic 3. Camera Flow

Activity T3.L1.1. Adding Camera Movement information to Technical Script

Co-funded by the
Erasmus+ Programme
of the European Union

Camera Flow

Adding Camera
Movement information
to Technical Script

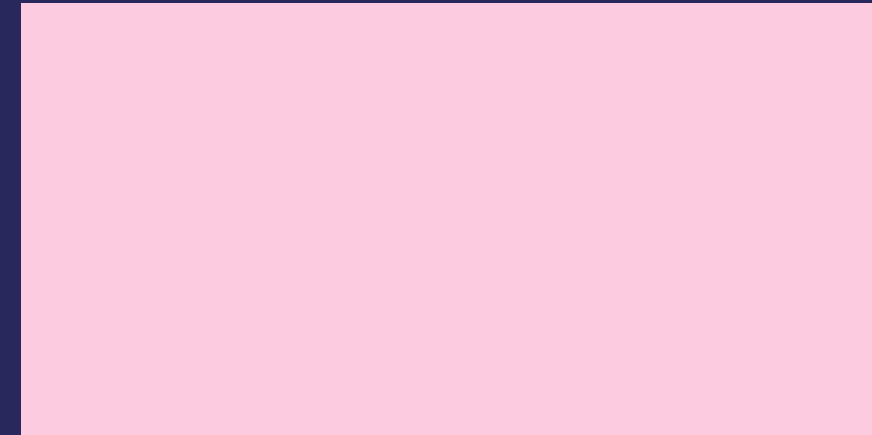

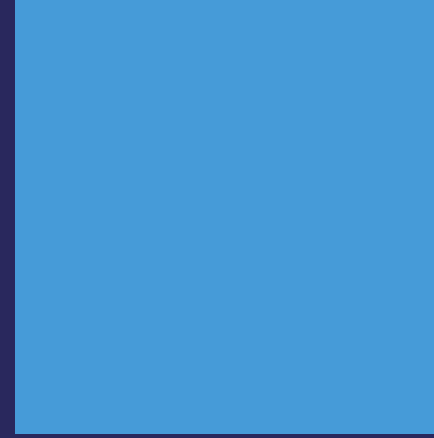

IMAGINE SEEING A MOVIE THAT
THE CAMERA IS STILL AND
OFFERS ONLY PERSPECTIVE:
NO DIFFERENT ANGLES
NO TRANSITIONS
NO CAMERA MOVEMENT

MAYBE IT WOULD BE INTERESTING IF SOMEONE
KNEW HOW TO DIRECT IT CORRECTLY BUT WE
WOULD USUALLY FIND IT BORING.

Using a variety of different camera moves into your shots you can add deeper sense of your visual interest.

UNDERSTAND THE EFFECTS OF
THE DIFFERENT TYPES OF
CAMERA MOVEMENTS IN FILM IS
ESSENTIAL FOR EVERY
FILMMAKER.

USING A VARIETY OF DIFFERENT CAMERA
MOVES INTO YOUR SHOTS YOU CAN ADD
DEEPER SENSE OF YOUR VISUAL INTEREST.

Activity

Adding Camera Movement
information to Technical Script:

Students will add the camera
movement information to each
sequence of the technical script.

TEXT (voice-over)

The Marjal de Gandía occupies 37% of the total surface of the Marjal de la Safor about 450 Ha of the total extension of 1,225 Ha. Geographically and morphologically, it is a humid zone developed in a coastal plain and that presents a great biodiversity of flora and fauna. The water supply of this ecosystem comes from groundwater, which emerges through springs. These natural sources contact the underground aquifers with the surface and are called ulla.

LIGHTING

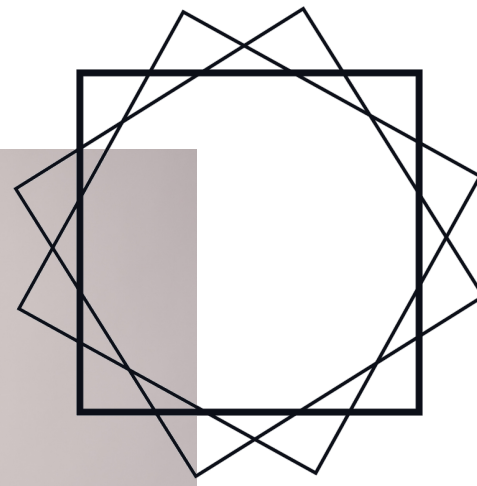

Sunny day
Time: close to the golden hour (shortly before sunset)
Light intensity: low
Direction: rear
Quality: soft
Colour temperature: warm (the sun hides behinds the mountains thanks to its geographical location)

CAMERA MOVEMENT

PAN: look for a place where pan can be used to reveal more information from one side of a scene to another (panoramic view of the Marjal)
TRACKING: of some bird to show the environment around it.

Choosing to move a camera a certain way, you can also alter the narrative of the story you are trying to tell and the delivery of the content you are presenting.

OCITY

Creativity + Innovation & Technology
