

Module II. Technical

Podcast

Topic 1. PODCAST IDEA

Objectives

Co-funded by the
Erasmus+ Programme
of the European Union

Introduction

What will we learn?

Introduction

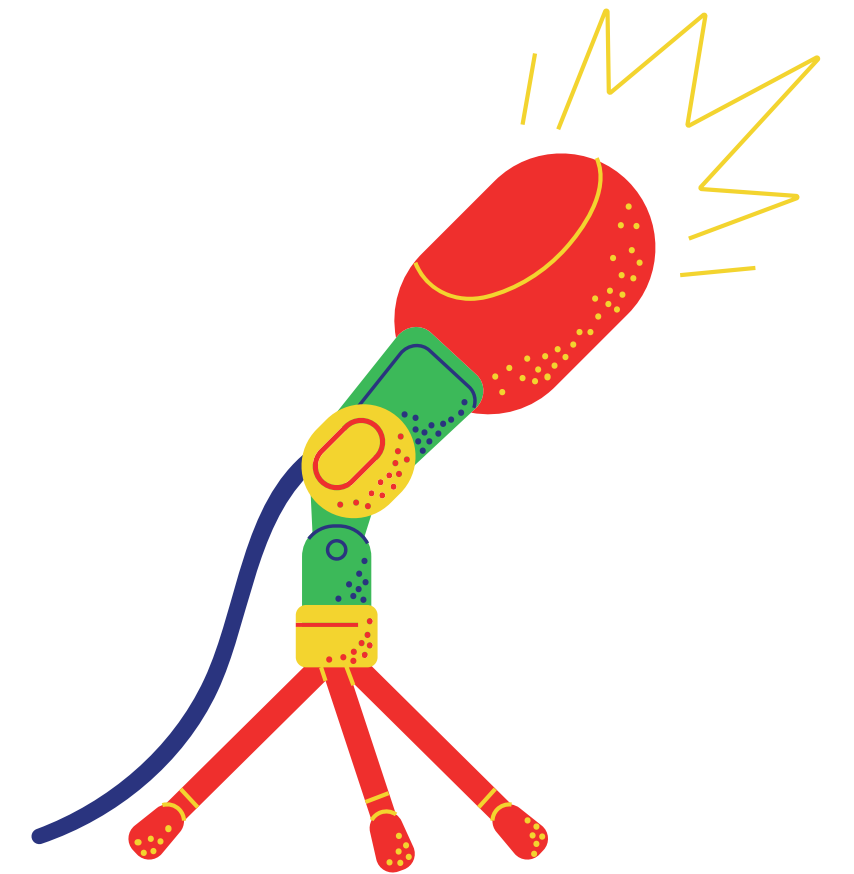

Podcasting is a great medium for who wants to create material and tell something, using only the voice. Anyone can use it to express and explore their own interests, as well as meet people, gain experience, and just have fun, but podcast can also use to create content, give to someone a voice for an audience.

What will we learn?

Understand
Podcast medium

Find the podcast
center

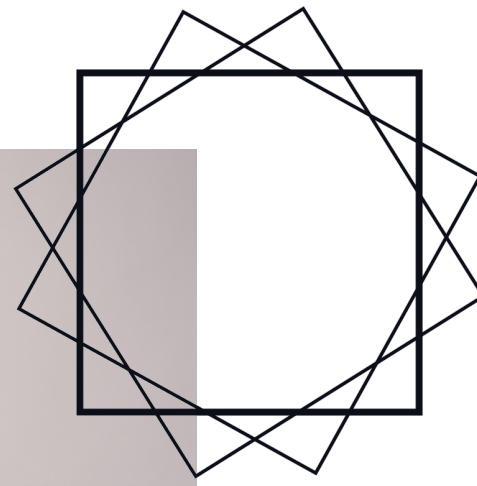

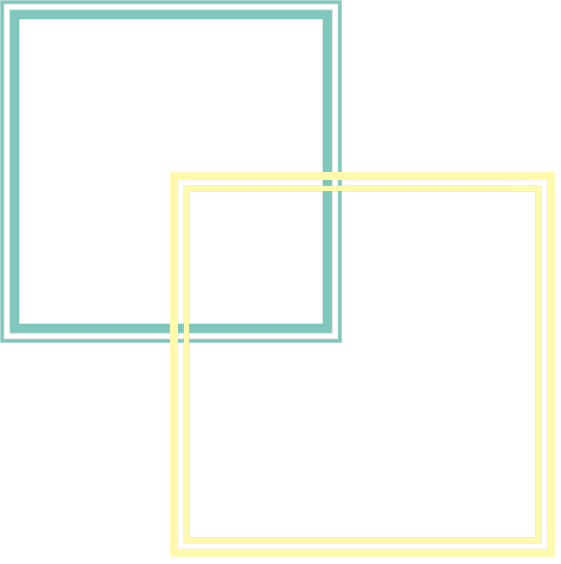

Have a draft of the
podcast idea

The first thing you need to consider before even buying equipment is, what's your podcast going to be about? There are a lot of people who want to do a podcast but don't have a particular focus or idea.

The first thing you need to consider before even buying equipment is, what's your podcast going to be about? There are a lot of people who want to do a podcast but don't have a particular focus or idea.
