

TYPES OF CULTURAL HERITAGE

 Module II

 Course
Cultural
Heritage

 Topic
Types of
Cultural
Heritage

 Lesson 1

Activity

- **Short Description:** Teachers will explain students about the types of Cultural Heritage by making photo albums.
- **Methodology:** Research-based learning
- **Duration:** 3 hours.
- **Difficulty (high - medium - low):** Low.
- **Individual / Team:** Individual
- **Classroom / House:** The activity should be developed during class.
 - **What do we need, to do this activity?**
 - We will need a computer

Description

- **Text description:** Learners should create a file allowing the characterization of each of the types of heritage defined in the module. They also should make an album with 5 photographs of each of the types of heritage, in which their characteristics are highlighted, together with the activity sheet 1 of the first workshop. One of the requirements is that any of the selected heritage elements belong to their region or country of origin.

Instructions

1. **STEP 1:** Create a file containing the information related to the characterization of Cultural Heritage.
2. **STEP 2:** Search online for photos of the different types of Cultural Heritage, choose 5 for each type. One of the requirements is that any of the selected heritage elements belong to the learner's region or country of origin.
3. **STEP 3:** Assemble the chosen photos in the file previously created in order to make the album.

Expected outcomes

- We expect teachers to identify the different types of Cultural Heritage in order to explain the concept to their students.

This activity can be used in other (module, course, topic, lesson):

- This could be used in any course related to Cultural Heritage.

DIGICOMP (Competences developed): N/A

ENTRECOMP (Competences developed): Vision, ethical and sustainable thinking, spotting opportunities.

1. IDEAS AND OPPORTUNITIES

- 1.1 Vision
- 1.2 Ethical and sustainable thinking
- 1.3 Spotting opportunities
