

Module III. Soft Skills

Developing Creativity course

Topic 1. Creative Thinking

Lesson 2. Enhancing Imagination

Co-funded by the Erasmus+ Programme of the European Union

In this lesson, we will learn...

The differences between imagination & inspiration in their essential role for creativity.

Additionally, we will show some ideas for enhancing imagination .

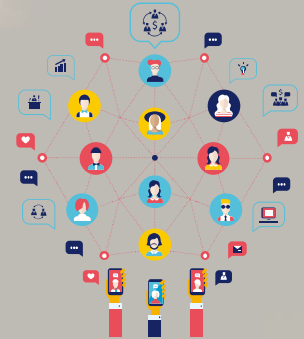

To conclude...

Inspiration and imagination are essential for creativity.

Imagination is envisioning things that do not exist.

Inspiration provides the motivation that helps people believe that they can do something creative.

If we show, we sensitize ...
If we sensitize, we protect!

Inspiration could be improved by:

- Reading stories
- Going to art galleries and museums
- Daydreaming and meditation
- Engaging with others
- Enhancing confidence in creativity.

Imagination could be improved by:

- Opening the mind
- Thinking like a child.
